

Young Members celebrating the Division 7 Victorian Metropolitan Championship 2012-2013

## NEW BOWLERS WELCOME

Our club is growing and enjoying success in competition. We are seeking new bowlers and no experience is necessary, we will coach you. We field sides from Division 1 through to Division 8 and our advice to new members is once you begin bowls it's fun and terribly addictive.

We are a dynamic, family oriented club, with playing members from sub teens to octogenarians and there are no barriers to gender in bowls competition. We particularly encourage young people of both genders and have a solid core of members under 25.
