Code of Behaviour for Members

A Code of Behaviour is a set of standards that addresses the expectations of anyone representing Moonee Valley Bowls Club.

1. Play by the rules. To play fair requires character.
2. Never argue with an opponent or official. If you have an issue have your skipper, team manager or a club official address it at the appropriate time. Where team selection is concerned if you have a question or issue address this through the appropriate channel of firstly the Chairman of Selectors, and if necessary, secondly with the club committee.
3. Verbal abuse and sledging are unacceptable at any time either at an opponent or club mate.
4. Respect the worth of all participants irrespective of gender, race, ability, sexual persuasion or cultural background.
5. Accept defeat and disappointment with dignity. We play to win but on days when things are not going our way it is important to maintain self-control. Foul language is unacceptable at any time. Be particularly aware of the message negative body language can portray to your team mates.
6. Reject drugs, corruption, violence, racism and other dangers to our club, community and sport.
7. Treat all participants as you would wish to be treated yourself. Let our behaviour always make us proud to represent Moonee Valley.
